Seminar 2022!

It's a 90 Day Dash to the Finish Line!

Spring is here! As we approach this time of new life and new beginnings, I want to take time to personally thank each and every one of you for being part of our unit. Only together can we succeed. I am so proud of you and every single one of your successes....big and small.

We are now in our final 90 Day Dash to our Seminar Year Finish Line! That's right*the last 90 days!* Can you believe it??? Now is the time to crank it up! There's a winning spot for everyone and I challenge you all to find your "Win".

Where will it be?....

★ **Star Consultant, New Sr. Consultant, New RED Jacket, New Car Driver or even maybe a New Director?**

Remember, many races are won at the starting gate. You can do it if you run the race with belief in addition to effort. It's that simple. Right now, EVERYONE has a chance!
Make April Count!

With every ounce of me, I know that you all will completely outdo yourselves again this month. April will definitely be our "Best Month Ever"!

Plan your work and work your plan and above all else NEVER give up! That's what will set us apart from the rest. I am so proud to represent you... I couldn't ask for better. Now let's get out there this month and show the rest of the MK World what we're made of.

We are taking off! I know I'll see you at the finish line!!!

I know we can do it!

Always your biggest Cheerleader,
