M - Make a Difference. Mary Kay gives back to those in need. Mary Kay has donated over 63 million dollars towards Domestic Violence shelters, Research to find a cure for Cancers that effect Women and Children, Habitat for Humanity and support for the Red Cross in times of Disaster Relief. In our own local MK Family we have chosen to support the WV Coalition against Domestic Violence and their Empowerment Fund. This is just one of the major reasons I love being a Mary Kay Consultant because I know what I am doing makes a Difference for someone less fortunate than myself.

A - Avenues of income. The possibilities are endless for making extra money for your family. We share Mary Kay products and share the opportunity with Women who need something to be passionate about. Our products are always *on trend* with the latest cosmetic fashions of the season and we enjoy a repeat business for customers that not only love the new but can't live without their favorite MK products. When a customer finds a product they love and use it all up....they call their MK consultant over and over to keep their favorite products in stock.

R - Recognition! Mary Kay designed her company with Cinderella Gifts for her Mary Kay consultants. The types of prizes are unlimited. Jewelry, Designer Handbags, Luggage, China, Furniture for your home or toys for your kids.....Mk has a prize waiting for you for just doing a great job. Let me share some of the prizes that I have won from Mary Kay: _____

Y - You! Be a better you! MK is the best Self Improvement coarse you can ever take. Whether it is finding the best look for yourself, sharpening your make up application skills or if you want to learn people skills, time management, how to run a business. Or maybe you just want something for you! Mary Kay allows you to become the best you can be. I have found that Mary Kay has benefited me by _____

K - Keys to your beautiful New Car! We have the opportunity to drive for FREE with Mary Kay! Everyone has heard about the amazing Pink Cadillac but many don't realize that the first car you earn could be a White Chevy Cruze. I will be so excited when I drive my MK Car up in my driveway. Who here would love to be driving FREE? (throw your hand up) For a ticket ... what would you do with the extra money each month if you didn't have a car payment, license, or insurance to pay?

A - Advantages of an MK Business - Free Training! No Quotas! No territories! Plus once you begin your Mk business you have a built in Business Coach...your Mary Kay Director...who is there to support you in building your business. You will be in business for yourself but never by yourself! Many feel the biggest advantage of being a Mary Kay consultant is the sisterhood of like minded women who appreciate the priorities of Mary Kay. Mary Kay Ash our founder believed that every woman should be able to put her faith first, her family second, and her career third. She believed If a woman was allowed to design her life in that way she would always feel balanced and fulfilled.

Y - Yes! Consider saying yes to the possibility that Mk could be an opportunity for you! Watch me today. If you feel you would like more information for yourself or for someone else you know, please let me know. We actually have a Welcome aboard signing bonus for getting started with Mary kay or a \$25 Referral fee in free product if you recommend someone who becomes an active MK Consultant.

You were awesome! Everyone give yourselves a hand and let's start our makeovers!
