

I'm looking forward to our time together during your *Beauty Tips Session!*

**Before your ZOOM appointment:**

**#1**

Download the ZOOM app (free).

**#2**

Bring a wet washcloth and a mirror.

**#3**

Be on time.  
- ZOOM gives us 1 hour.

**#4**

Try out the Mary Kay Skin Analyzer App (free).

It scans your face and recommends the perfect items for you. We can talk about those items at your appointment.
